

Bremen's 12 and under Youth Baseball All-Star Team
Member of the Boys of Summer All-Star League

Practices:

The All-Star team will practice twice a week, until league play begins, there will be occasional practices throughout the season. Appropriate practice clothing is; long pants and baseball hat for every practice during the season. Wear long sleeves, and bring a jacket for cold weather. Always bring your baseball mitt with you. It is suggested that all players have an athletic supporter with cup, and mandatory that all catchers wear an athletic supporter with cup. The team has baseballs, catchers gear, batting helmets, and bats for the players to use.

Games:

We will schedule a pre-season game before the start of league play. The Boys of Summer League will start league play in late April or early May, with Wednesday, and Saturday 7:00 p.m. games, with a season ending single elimination tournament the weekend before July Fourth. Additional tournaments we will play in are the Egg Festival in Mentone, in early June, and the Town & Country district – semi-state, - and state tournament in July, beginning the weekend after July 4th, their website is townandcountryleague.com. The All-Star team will play approximately 25 to 30 games.

The Bremen All-Star website is www.bremenallstars.org; it is run by Bill Paolucci, who you will see at some of the games. This is your website for the summer, please use this website throughout the season, and send pictures or comments to Bill. Bill will let you know how to contact him, and he will contact you when the website has been updated. On the website will be the Boys of Summer league rules, directions to away games, and I send updates to the website weekly, with revised schedules, offensive/pitching stats, and articles.

Absences:

The coaches understand that vacations, weekend trips, and camps come up during the summer. These all are understandable absences, the players chosen for the All-Star team should be able to cover player absences and continue to be competitive. We believe the players chosen for this team are responsible young men, and will not miss practices or games without letting a coach know beforehand with the reason.

Uniforms:

Each player will be given 2 uniform pants, and 1 belt to be returned at the end of the season.
Hat, socks (2 pair), sweatshirt (with logo, and number), and uniform shirts one Kelly – one white (with logo, name, and number) the players can keep.

As baseball players playing in the Bremen youth league, and on the All-Star team, there will be a significant amount of time given to baseball. We hope that baseball takes first priority over other sports that have leagues during baseball season.

Coach: - Jeff Swank 546-5001= call first, Cell 301-9319 = call on Saturday (I work)

E-mail - jkswank@centurylink.net

Address - 404 E. Raymond St. Bremen

Coach - Steve Zellmer

Coach Jeff Zellmer

Coach Brian Town

Coach Adan Gonzalez

Coach Andrew VanKampen

Home game Umpire crew chief – Mic Gardner

Games:

I want all the All-Stars at the diamond 1 hour before game time. Road games the coaches leave for the game so we get there 1 hour before game time, we leave from Bremen's South diamond (by the left field pavilion). If your All-Star needs a ride to the game, we are glad to take them, or the parents are welcome to follow us to the game. If your All-Star needs a ride home we will do that to. Parents can also meet us at the road game diamonds. I will post direction for every diamond we go to.

Dug out rules:

I want the All-Stars to stay in the dugout during the game; they can go visit their parents, but not sit in the stands. Allowed in the dugout, water, sports drinks, sunflower seeds (do not spit seeds on your teammates), and gum, no food (feed your All-Star before or after the game).
